SCHOOL RESUMES Tuesday, November 1st

BIG THANK YOU -- Home and School Project: Resurfacing the Playground

The students and staff of St. Stephen the Martyr School are so blessed to have the many devoted Home and School members, who dedicated many hours of planning, organizing, fund raising, and labor to resurface the playground. Undaunted by unexpected set-backs, they continue to persevere until a magnificent playground will be the result. To all who sacrificed to give of time and talent....thank you all so much! This wonderfully maintained space will be enjoyed by our parishioners for many years to come!

QSP Magazine Fundraiser—TIME TO BE AMAZING

Please help our students reach their goal and ACRODUNK from America's Got Talent will present to our students in our gym. Easy to participate @ www.qsp.com to order online, school code 1083864. Remember FINAL TURN IN DAY for money and orders is **Tuesday, October 18th**.

Kids Against Hunger

This past Monday, the staff at St. Stephen's had a dress down day to collect funds for *Kids Against Hunger*. This is a program our parish is promoting in conjunction with our Mission Week coming up October 23rd through the 26th. We appreciate your efforts to support this program. A few dollars will feed a number of hungry children!

Traffic Flow Reminders

We want to continue to keep you aware of traffic concerns on the north side of the building. Students are crossing outside of the crosswalk area and this creates a stressful and unsafe situation for drivers. Please follow our established procedures to protect the safety of our students, parents, and younger siblings

Physical Education Class Accomplishments

In PE class this week, the students are running the mile. With 1/3 of the classes finished, the times to run the mile have been super! The best time so far has been 5:42 and a few students are aiming to improve on this time! Keep up the good work and we encourage all students to stay active and involved.

Free Dress Monday October 10 is for.....

The October 10th Free Dress Day is for students who brought candy in support of the **Festival**. We thank you so much!

Project HOPE

Wish you could contribute more to your parish? Project HOPE provides a way for you to help your parish financially without costing you anything.

As a non-profit organization, we are able to purchase gift cards at a discount and re-sell them to you at face value. You receive the full value of your gift card when you shop, dine out or go to the movies. The parish retains the difference.

We offer gift cards from grocery stores, discount and department stores, home improvement stores, restaurants and specialty retail and clothing stores. No matter what you do during the week, we have a card for that!

Make it a family tradition to stop by the Project HOPE table weekly following mass. If we all work together, we can do great things in our parish and our community.

Earlybird Book Fair

Because of the positive feedback we received last year, we will again be holding our Earlybird Book Fair during Parent - Teacher conferences in October. This mini fair is being held in the school commons area beginning on October 26 through October 28. Parents, please stop by during your conference time. All proceeds will support the school library. We will also have the convenience of an online shopping option which will begin the week of the fair. Look for more details coming home with your students in the next few weeks.

Thank you in advance for your support,
