

H1 N1 INFORMATION

The Catholic Schools Office is partnering with the Douglas County Health Department to provide information to schools, parents and caregivers about the H1N1 virus. Locations and schedules of public clinics offering the free vaccine will be listed on this site as sites are added. Stay Tuned!

The listed information can be accessed by clicking on the individually labeled PDF files. For your convenience, you can also print the information, which is available in both English and Spanish versions. More information can be found at <http://www.douglascountyhealth.com> or by contacting the Douglas Health Department at (402) 444-4639.

- General Parent Letter- (English and Spanish)
- Clinic locations (Nov. 5th, November 10th, November 12th (English and Spanish)
