

**STEWARDSHIP:
a disciple's response**

Discipleship is doing the will of God with the abundance He gives us. We realize our "spiritual" potential from that divine abundance when we deepen our faith commitment, regularly pray, celebrate Christ's presence at Mass, and share our Catholic faith and Christian values with others.

Please pray the prayer on the other side of this card for the success of Stewardship at St. Stephen the Martyr.

"A Call to the Cross"

God our Father,
may the holy cross of Jesus
be the light that guides us and
unites us in the life, passion,
death, and resurrection
of Jesus Christ.
Call forth our faith community
to holiness, to share gifts and
ministry, and to be active
Catholics living the parish life
of St. Stephen the Martyr.
In gratitude for all You entrust to
us, may we hear Your call to
become good stewards by
generously sharing our
offerings of spiritual, human
and financial resources.
As Your responsible stewards,
we ask this through
Christ our Lord. *Amen.*
